Step one:

Log into your account and click the "Team management" tab at the top of your page, and click into your team.

The screenshot shows the GotSport web application interface. At the top, there is a green navigation bar with the GotSport logo on the left and a user profile icon on the right. Below the navigation bar is a horizontal menu with several tabs: Dashboard, Account, Reporting, Team Management (highlighted in green), Team Scheduling, Program Registrations, and Forms. A red arrow points down to the 'Team Management' tab. On the left side of the main content area, there is a sidebar with three menu items: Teams (highlighted in green), Registrations, and Matches. The main content area displays a table titled 'Teams'. The table has columns for Name, Coach, Level, Age, and Gender. The first row of the table shows a team with a biohazard icon, the name 'Team Name Here', a blank Coach field, 'Recreational' as the Level, 'U8' as the Age, and 'Male' as the Gender. A red arrow points up to the 'Team Name Here' text. Red text annotations are present: 'Click the "team management" tab at the top of your page and click into your team.' is positioned above the table, and 'Click into the team' is positioned below the table.
